These men can tell you why the 7TH WAR LOAN is the BIGGEST yet!

YOU ARE being asked to lend more money than ever before—in the 7th War Loan.

These men can tell you why. They can tell you of giant ships ready to slide down the ways this year. They can tell you of a whole new air force in the building—huge new bombers and fast new jet-propelled planes coming off the lines by thousands.

They could show you why it is cheaper and quicker to give our Pacific Forces entirely new equipment sometimes—instead of shipping tanks and guns from Europe.

They can, in short, show you 101 ways in which your dollars are needed more than ever to bring America's might to its full strength—so that we may crush our foe the faster, make an end of killing, and bring our men back home.

Port and Pipe Lover

Woman Dies at 102 Years

CHICAGO.—Mrs. Catherine Copulos, who drank port wine and smoked a Turkish pipe for 50 years but abandoned the wine in favor of milk three years ago, is dead in Chicago, two months short of her 103rd birthday.

Mrs. Copulos took up wine drinking and pipe smoking at 50 upon the advice of her husband, Dr. Demosthenes Copulos, Greek neurologist, that it was relaxing for the nerves. Three years ago, after her hip was broken in a fall, she gave up wine, but continued to smoke.

When 77 years old, Mrs. Copulos visited New York and climbed to the top of the Statue of Liberty. At 80 years, against the advice of guards, she took two trips on the Coney Island roller coaster.

Window Service Flag

Can Designate Veteran

WASHINGTON.—A family or organization service flag may now carry a symbol to designate an honorably discharged veteran. The symbol, based on the same design used on the lapel button for a discharged veteran, will replace the blue star which represented a man or woman in service.

The design will be in gold color with blue edging to make it stand out on the flag's white background.

Memorial Day observed over the nation May 30.

Tire and gasoline quotas stand as increased quotas.
